## ONE HUNDRED MILES, ONE COAST

Over the past 10 years, One Hundred Miles has built an organization that does what's necessary to protect our coast.

In our first comprehensive capital campaign, ONE HUNDRED MILES ONE COAST, OHM seeks to raise \$6 million to increase understanding of and actions for the coast, grow our network of advocates, and fortify our organization—ensuring we remain the eyes and ears of the region and able to mobilize advocates to take actions on the most critical issues facing our coast.

During the quiet phase of the campaign, we have achieved 84% of our \$6M goal. Many thanks to the donors who have already stepped up to support this campaign.
